Hello Mr. Jacobs,

That is correct. I represent the City, the District Attorney's Office, the DA, and Ms. Tripp in your civil lawsuit against the City.

I do not handle any criminal cases. As noted in the Department's response to your November 2019 memo to Commissioner Coulter, the Attorney General's Office is the appropriate entity to investigate complaints against the DA's office.

Additionally, some of your correspondence appears to relate to police discipline matters. Those inquiries should be directed to your union.

Please address any correspondence about your civil lawsuit to me, via email.

Best,

Jennifer
